

FISCHER PANDA 30x Single-phase Sea Generating Set 30 kVA 25.5 kW

Product price:

25.742,00 € tax excluded

Product description:

FISCHER PANDA 30x Marine Generator Super Silenced 30 KVA

Fischer Panda 30x Marine Generator single phase 30 KVA with 3000 rpm engine. The Fischer Panda 30x marine generator is designed with a soundproof cabin that makes it **super silenced**. The Fischer Panda 30x marine generator is built with a Kubota diesel engine. The alternator of the Fischer Panda 30x marine generator is 2-pole with insulation class H. With its compact dimensions and low weight, the Fischer Panda 30x marine generator is also suitable for installation on small boats.

Key Features FISCHER PANDA 30x:

High Power:

Delivers a maximum power of 25.5 kW and a continuous power of 22.9 kW.

The maximum power of 30 kVA and the continuous power of 27 kVA make it suitable for heavy loads.

Reliable Engine:

Equipped with a Kubota V1505T 4-cylinder engine, known for its robustness and durability. The 1498 cm³ diesel engine ensures efficient and reliable operation.

Stable Performance:

The 50 Hz frequency and 230 V voltage ensure a constant power supply.

The voltage regulator with x/fp control maintains stable voltage even under variable loads.

Silent Operation:

Both silenced and super silenced, this generator set is designed to minimize noise.

Robust Construction:

With a dry weight of 403 kg in total, this generator set is built to last.

Fischer's compact dimensions (1010 x 515 x 674 mm) facilitate installation and transport.

Technical Specifications FISCHER PANDA 30x:

Phase type: Single phase

Maximum single-phase power (KW): 25.5

Continuous use single-phase power (KW): 22.9

Maximum single-phase power (KVA): 30

Continuous use single-phase power (KVA): 27

Fuel: Diesel

Frequency (Hz): 50

Voltage (V): 230

Engine: Kubota V1505T

Engine speed (rpm): 3000

Start: Electric

Displacement (cm³): 1498

Number of cylinders: 4

Number of poles: 2

Length (mm): 1010

Width (mm): 515

Height (mm): 674

Silenced: Yes

Super silenced: Yes

Engine insulation class: H

Product type: Generator set

Voltage regulator: Control x/fp

Engine brand: Kubota

Weight (Kg): 403

If you are looking for a marine generator set like the Fischer Panda 30x but with different technical specifications, then you can browse the entire catalog of marine generators.

Product features:

Phase: Single phase

Maximum power single phase (KW): 25.5

Continuous power single phase (KW): 22.9

Maximum power single phase (KVA): 30
Continuous power single phase (KVA): 27
Fuel: Diesel
Frequency (Hz): 50
Voltage (V): 230
Engine: Kubota V1505T
Engine rpm (rpm): 3000
Starting system: Elettrico
Engine capacity (cm³): 1498
Number cylinders: 4
Poles: 2
Motor insulation class: H
Length (mm): 1010
Width (mm): 515
Height (mm): 674
Dry weight (Kg): 355
Silenced: Yes
Super silenced: Yes
Product type: Generator
Voltage regulator: Control x/fpControl
Engine manufacturer: Kubota
Weight (Kg): 403
